

PARX IARC Indian National Autocross: Oct. 2019

The Rains Could Not Dampen the Racing

Oct 19th 2019:

While Maharashtra was experiencing out of season showers, the drivers at the **PARX IARC Indian National Autocross** held at the Raymond Drift Track, kept their pedal to the metal.

Wet racing conditions only brought the best in the participants and we saw quick times being set and then bettered continuously.

Raunaq Singh set the fastest time of the day in Class 6: 2WD Group C Unrestricted upto 1650 cc and also went home with three 1st places & Shanky Joseph took home the maximum Tuner's trophies

The organizers IARC kept the event running like clockwork and all the drivers were appreciative of the fact that despite the rain there were next to no delays in the published schedule.

The prize distribution ended with a vote of thanks from Chairman of the event Mr Dilip Joshi to the Marshals & Medical teams, Team Raymond & sponsor PARX, Chief Guest & Motorsport Legend Mr Darayus Bhatena, Mr Farooq Ahmed Chairman FMSCI Off Road Commission, Chief Steward Mr Shreekant Apte, Stewards Mr Roopesh Thakkar & Samir Suneja, Chief Scrutineer along with the FMSCI, Team IARC & Raceworks for keeping the event running smoothly.
